

### Features

- Ultra slim
- Universal AC input / Full range
- · 2 pole USA plug, Class II power unit
- No load power consumption <0.075W for 5~7.5V</li> <0.15W for 9 ~48V
- $^{ullet}$  Energy efficiency Level  ${
  m VI}$
- · Comply with EISA 2007/DoE
- Protections: Short circuit / Overload / Over voltage
- Fully enclosed plastic case
- 54V model available for PoE(optional)
- Various DC plug quick adapter accessory available (Plug kit sold sperately, please refer to: https://www.meanwell.com/upload/pdf/DC\_plug.pdf)
- 3 years warranty

### · Pass LPS

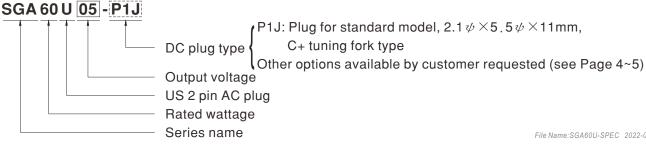

### · LED indicator for power on

## Description

SGA60U is a 60W ultra slim wall-mounted style single-output green adaptor series, which is compact and convenient for carry. SGA60U is a class II power unit (no FG) equipped with the standard 2-Pin U.S. plug, accepting the input range from 90VAC to 264VAC. The whole series provides different models with output voltages ranging between 5VDC and 48VDC that it can satisfy the demands for various types of consumer electronic devices.

With the efficiency up to 89.5% and the extremely low no-load power consumption below 0.075W for 5~7.5V, below 0.15W for 9 ~48V, SGA60U is compliant with the latest U.S. energy regulation EISA 2007/DoE(Level VI). The supreme feature allows the adaptor to save the energy when it is under either the operating mode or the standby mode. The entire series is approved for international safety regulations; moreover, it adopts the 94V-0 flame retardant plastic case that it can effectively prevent users from electric hazards.

# Model Encoding

## Applications

- · Consumer electronic devices
- Telecommunication devices
- · Office facilities
- Industrial equipments
- Power sourcing equipment of PoE

# 60W AC-DC High Reliability Slim Wall-mounted Adaptor

### ■ DC output plug

O Standard plug: P1J

Unit:mm

### O DC plug changeable through:

- (1) Customization of the standard part with an optional DC plug according to the table (MOQ applicable)
- (2) Quick adapter accessory (sold separately without MOQ)

Please refer to below table and online selection guide: <a href="https://www.meanwell.com/upload/pdf/DC\_plug.pdf">https://www.meanwell.com/upload/pdf/DC\_plug.pdf</a>

### Example quick adapter accessory:

### Optional DC plug: (Available in customized cable or quick adapter)
